

# **Complete Guide to Business Registration & Tax Services in Karachi**

Provided by Pakistan Business Consultants

Website: <https://pbck.pk/>

Starting a business in Pakistan requires proper company registration, tax registration, and regulatory compliance. Pakistan Business Consultants provides professional consultancy services for entrepreneurs, startups, traders, and established companies in Karachi. This guide explains SECP company registration, income tax services, sales tax registration, and PSW import export registration.

## 1. Company Registration with SECP in Pakistan

Registering a company with the Securities and Exchange Commission of Pakistan (SECP) is the first step for building a legally recognized business. Pakistan Business Consultants assists clients in registering companies quickly and efficiently.

- SMC Private Limited Company Registration
- Private Limited Company Registration
- Limited Liability Partnership (LLP)
- Single Member Company
- Name Reservation & Documentation
- SECP Filing & Digital Submission
- Post Incorporation Compliance
